

Dear Mr. Wells,

June 17, 2017

I really enjoyed coming to camp Marin Sierra and I was the one who played the bugle at the flag ceremony. I enjoyed shooting the rifles and working on the First Aid merit badge. Because of the First Aid merit badge, I need one more sign-off to get Star. I really think that you did great as a camp director.

My favorite counselors were Squid and JT because Squid is super nice and JT taught me sailing. I really enjoyed sailing because I went cruising around the lake and also capsizing the boat was super fun.

Dear Mr. Wells,

I had a great experience at Camp Marin Sierra. Some of the fun things I did were swimming in Chubb lake, getting signoffs, and seeing all the nature. I also enjoyed doing merit badges such as nature and astronomy.

I really liked learning about, and seeing all the stars as part of astronomy, despite getting pretty cold on the overnight. I was able to see the milky way, the big dipper, and many other stars. You run some pretty great programs at Marin Sierra, and you do a great job running the camp!
